

Nachtnet train services by Nederlandse Spoorwegen 2021

-  hourly train service
-  replacement bus
-  1 or 2 train services per direction on Saturday and Sunday
-  station
-  terminus
-  trains stop here only when travelling in one direction →
-  only the first one or two *Nachtnet* services in each direction stop here

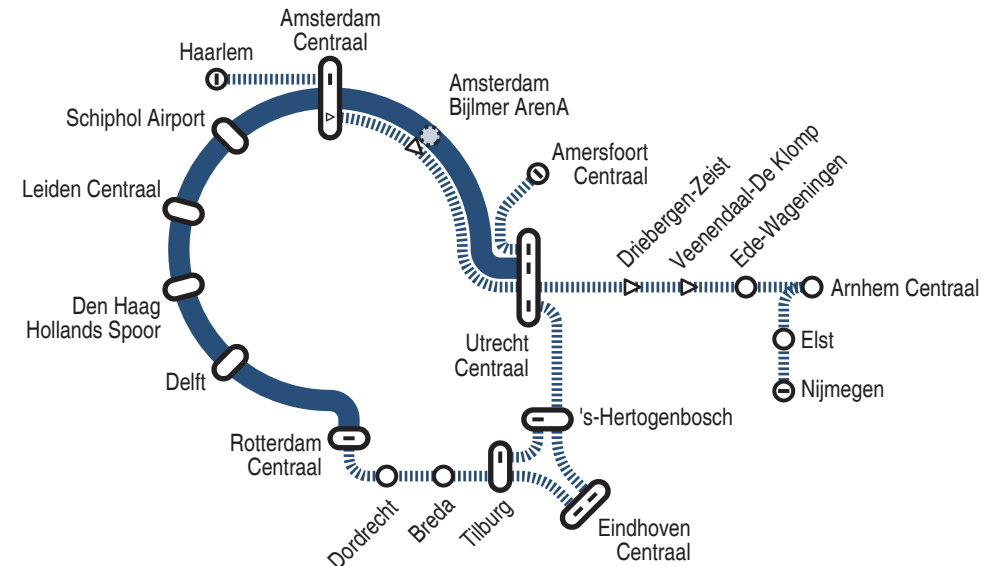

Nachtnet services are special InterCity services that run after approximately 01:00. Some ordinary train services have their latest services running concurrently with the earliest *Nachtnet* services, but these late ordinary train services are not shown here. Ordinary train services have assisted boarding till the last service, at stations where assisted boarding is available. On the other hand, *Nachtnet* services do not have assisted boarding.

Due to the COVID-19 pandemic, public transport services indicated here (i.e. they appear in the time tables) are not necessarily running. Some services no longer appear in the time tables this year, but they could be reinstated at a later date. The level of services can change quickly, more so than usual. Check with the public transport providers for the latest service updates, and the authorities for the latest travel restrictions and health advice.
