 - Name station with OV-chipkaart check-in portals of NS and another company
 - Name train reverses out of a station (furthest possible) terminus

Due to the COVID-19 pandemic, public transport services indicated here (i.e. they appear in the time tables) are not necessarily running. Some services no longer appear in the time tables this year, but they could be reinstated at a later date. The level of services can change quickly, more so than usual. Check with the public transport providers for the latest service updates, and the authorities for the latest travel restrictions and health advice.

See also the weekend versions of this map, and maps of other train services in Benelux and Nord & Pas-de-Calais at miano.bambooradical.com/benelux/

All stations with local train services into/from The Netherlands during weekdays are shown. Not to scale, accuracy is not guaranteed. Always check with train service operators for latest information.
